# Santa Fe Skate Fest 2010

## May 15-16, 2010

### Santa Fe Fun Fest May 16, 2010

The 2010 Santa Fe Skate Fest will be conducted under the rules of US Figure Skating as set forth in the 2009-10 Official US Figure Skating Rule Book. This competition will be judged using the **IJS system for Juvenile through Senior short and long events and some Adult Freeskating events** and **6.0 system of judging for all other events**. All competitors skating in IJS events need to submit the PROGRAM CONTENT FORM along with their competition entry form. **This form must be filled out online at [www.usfigureskating.org](http://www.usfigureskating.org)** and is found in USFS member's only section [https://www.usfsaonline.org/usfsa\\_Net/Elements/ListPrograms.aspx](https://www.usfsaonline.org/usfsa_Net/Elements/ListPrograms.aspx). The **deadline to submit the form is the entry deadline. Forms will not be accepted after the deadline.** Please expect that additional time will be needed by accounting to process & post IJS event results. For information on the Skate Fest and Fun Fest, including schedules, visit the Santa Fe Skating Club's web-site at [www.SantaFeSkatingClub.org](http://www.SantaFeSkatingClub.org).

#### **ELIGIBILITY**

This competition is open to all eligible members of US Figure Skating. Competition level is the highest free skating test passed as of the entry deadline. Skaters may skate at one level higher than tested for any event; it is not required to skate up for all events entered. Skaters who have not previously tested may also move up one level and compete at the pre-preliminary / pre-bronze level. Pre-Preliminary through Pre-Juvenile entries will be grouped by age. Juvenile and higher will be grouped as set forth in the 2009-10 Rulebook. Initial skating order will be determined by random draw. All competitors must comply with US Figure Skating requirements relating to tests and eligibility.

#### **FACILITIES**

All events will be skated on one ice surface at the Genoveva Chavez Community Center (GCCC), located at 3221 Rodeo Road, Santa Fe, N.M. 87508. Phone 505/955-4000 (Information) or 505/955-4033 (skate shop). The ice surface is an indoor surface, standard NHL rink, 85 x 200 feet with rounded corners. ### **REGISTRATION**

The registration desk will be located in the entrance lobby of the GCCC and will be open at 3:00pm on Friday May 14, 2010, and about 7:00am Saturday and Sunday, until competition-related activities for the day are finished. All entrants should check in when first arriving at the GCCC and confirm their allotted event times. **Skater, Coach, Officials, Volunteers and one Chaperone will get a credential at check-in. Anyone over 12 years without a credential will be charged a \$2.00 Spectator Fee.** Entrants will need to turn in music for each of their events at time of check-in. ### **PRACTICE ICE**

Practice Ice will be available on Friday, May 14, 2010, but may be scheduled on another day or time depending on your competition schedule. The non-refundable charge for each pre-arranged session (fill out practice ice form) will be \$12.00. Each competitor who requests practice ice with entry will be guaranteed at least one session. Additional Practice Ice will be available throughout the competition on a first come, first served basis at a cost of \$15.00 per 30 minute session. We will do everything we can to provide adequate ice, but be aware that we have only one ice surface. Practice Ice is limited to the day before the competition, and early morning/evening hours (as early as 5:00am and as late as 11:00pm). Skaters' practice times are assigned based on skating level and event types entered; this is a safety consideration. CD's may be picked up after the conclusion of each event. The Music Committee will take reasonable precautions to safeguard music; however, the Committee is not responsible for accidental damage.

## **2010 FUN FEST COMPETITION**

The purpose of the Fun Fest Competition is to promote a fun, competitive introduction into the sport of figure skating. Skaters **MUST BE** members of US Figure Skating through a club, Basic Skills Program, or as an individual member. Members of other organizations are eligible to compete but must be registered with a Basic Skills Program/Club. Skaters will be divided by age if entries warrant. Male and Female competitors can be combined at the discretion of the referee if entries are not sufficient to create separate events. Eligibility will be based on skill level as of closing date of entries. **All SNOW PLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8** must skate **all** events at highest level passed and **NO** official U.S. Figure Skating tests may have been passed including MIF or individual dances. **All SNOW PLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8** compete in the same level for Basic Elements, Freeskating and Artistic unless the Referee combines events to make a full event. **For Free Skate 1-6, and Test Track** eligibility will be based only upon highest free skate level passed (Moves In the Field test level will not determine skater's competition level). **For Free Skate 1-6, Adult 1-4 and Test Track** skaters may skate at highest level passed OR one level higher in Compulsories BUT not both levels in the same event during Fun Fest.
